## **DIRECTIONS**

1. Stir well before using. Be careful not to spill or splash.
2. Do not dilute; the substance is ready to use.
3. Apply a 10 cm band of product with a brush, around entire structure, close to the foundation. Apply in cracks in concrete.
4. May also be applied to exterior hard surfaces around doors, windows or other openings (vents) in buildings or storage containers. Do not apply directly to window glass or overhangs.
5. Product may be removed from treated surfaces by washing with warm soapy water.

## **FOR BEST RESULTS**

- Apply in dry conditions. Do not apply when rain is expected within two hours of application.
- Apply a broad band for effective control.

## **ACTIVE INGREDIENTS**

30 g/kg Organic Oleoresin Capsicum  
HSNO Approval Code HSR101277  
Hazard Classifications: 6.4A

## **WARNING**

May cause eye irritation .

## **PRECAUTIONS**

Read label before use; keep out of reach of children. Do not eat, drink or breathe the substance. Avoid any direct contact with the substance. Wash thoroughly after handling. Wear protective gloves and eye protection.

## **FIRST AID**

If swallowed rinse mouth and drink 1 – 2 glasses of water or milk. Do not induce vomiting. If eye contact occurs, flush eyes with running water for 15 minutes. If spilled on skin, wash with soap and water. Seek medical advice or contact the National Poisons Centre on 0800 764 766 and have product label at hand.

## **ENVIRONMENTAL CARE**

This product must be applied by ground based methods only. Collect any spillage. This substance must not be applied into, onto or over water.

## **STORAGE/DISPOSAL**

Store in a secure cool place away from any heat, children and food stuffs. Dispose of container in garbage. Achieve methods for disposal of the unused substance in accordance with the Hazardous Substances (Disposal) regulations 2001.

As Kiwicare Corporation Limited has no control over the storage or use of this product, no liability is accepted for accidents or damage arising from the incorrect storage or use of this product.
