KIWICARE®

# NO BORER™

## TOTAL WOOD PROTECTION

### WATER SOLUBLE CONCENTRATE 5 L - makes 50 litres

**OUR PERSONAL  
GUARANTEE**

**PROUDLY  
NZ  
MADE**

## NO BORER TOTAL WOOD PROTECTION

**1. PROTECT:** Using Kiwicare NO Borer Total Wood Protection on bare wood and NO Borer Spray Injector on coated/painted wood.

**2. FUMIGATE:** Knock down adult Borer before they mate and re-infest wood with Kiwicare NO Borer Fumigator.

**3. VENTILATE AND DRY:** Ensure that your sub-floor and roof spaces are dry and well ventilated to prevent further Borer. Check for plumbing leaks and unblock all air vents.

- Specially formulated with oils and surfactants to penetrate deep into wood.
- Diluted with water. No solvents required.
- Easy to use, with no offensive or lingering odour.
- Long lasting timber protection from wood boring insects including Common Borer, Native Borer and Two-tooth Borer.

## READ LABEL BEFORE USE

### DIRECTIONS

1. Shake well before use.
2. Dilute 100 ml concentrate per 1 Litre of water\*.
3. Brush or spray liberally onto all unsealed timbers.
4. For longest protection apply a second coat after the first has soaked in (usually 2-6 hours).
5. Use entire contents of diluted mix within 48 hours.

**Not to be applied to food or food preparation surfaces.**

\* Can also be mixed with turpentine or kerosene at the same dilution rate i.e. 100 ml:L

### FOR BEST RESULTS

- ✓ To assist in eradicating Borer, use as part of the Kiwicare 1-2-3 Borer Control Programme.
- ✓ For decorative wood items we recommend testing an inconspicuous area first.
- ✓ Areas of high UV light may require treatment again after 5 years.
- ✗ Hard surface treatment only, do not spray into air.

**ACTIVE INGREDIENTS** - 10 g/L Permethrin. HSNO Approval Code HSRI0164

**WARNING** - Causes mild skin irritation. May potentially cause eye damage. Potentially harmful to organs through prolonged and repeated exposure.

### OUR PERSONAL GUARANTEE

We stand by our products. If they don't do what they say, we'll see you right.\*

\*See [kiwicare.co.nz](http://kiwicare.co.nz) for terms and conditions.

**PRECAUTIONS** - Wear eye protection and gloves when mixing or applying. Potentially causes paresthesia; avoid contact to skin and eye.

**FIRST AID** - If skin irritation occurs seek medical advice. If swallowed drink several glasses of water or milk to dilute the product. Do not induce vomiting. Seek medical advice or contact the National Poisons Centre on 0800 764 766.

**ENVIRONMENTAL CARE** - Very toxic to aquatic life. Toxic to terrestrial invertebrates. Do not contaminate any water supply with chemicals or empty container. Do not apply to where bees are foraging. Do not apply onto bees, bee hives or nests.

**STORAGE/DISPOSAL** - Store in the original container in a secure, cool, dark, dry place away from children and foodstuffs. Dispose of container in household rubbish.

As Kiwicare Corporation Limited has no control over the storage or use of this product, no liability is accepted for accidents or damage arising from the incorrect storage or use of this product.
