2L EASY TO USE applies 142L

**TARGETED FORMULATION <
ADDED BOOSTING AGENT <
PROTECTS SURFACES <
ALL SEASON LONG**

Perfect on: asphalt, artificial turf, bricks & paving, concrete, decks, driveways, fences, fibreglass, glass houses, grouting, outdoor furniture, paintwork, paths, patios, plastic houses, pots, roofing, sheds, tiles, timber decks, vinyl cladding, weatherboards and more...

DIRECTIONS

Apply to dry surfaces. Do not apply if rain expected within 4-5 hrs. If using near plants wet them with water before and after use.

- 1 Connect the garden hose.
- 2 Turn the spray head to 'WATER' and turn the tap on until stream travels about 4m, then turn spray head 'OFF'.
- 3 Pointing the hose at the surface to be cleaned, turn the spray head to 'ON'.
- 4 In a sweeping motion cover the area to be cleaned with the solution.
- 5 Turn 'OFF'. **Do not rinse**, leave to penetrate surface. A second application after 1-2 months may help shift stubborn problems. Visible results may be seen within days. Depending on conditions, removal may take up to 6 months.

WARNING: Harmful if swallowed. May cause eye and skin irritation. Keep children and pets off wet areas.

PRECAUTIONS: Read label before use. Keep out of reach of children. Do not eat, drink or smoke when using this product. Wear protective gloves, face and eye protection. Wash exposed skin and contaminated clothing after use.

STORAGE AND DISPOSAL: Store between 5-20°C in a dark place in original container. Rinse and recycle or dispose of container in garbage.

FIRST AID: If swallowed, drink 1-2 glasses of water or milk. Do not induce vomiting. If eye contact occurs, remove contact lenses (if necessary) flush with running water for 15mins. If spilt on skin, wash with soap and water. If swallowed or irritation persists seek medical advice or contact National Poisons Centre on 0800 764 766. Have product label at hand.

Note: May affect waterproof coatings overtime.

ACTIVE INGREDIENT:
250g/L Benzalkonium chloride
plus boosting agent.

ENVIRONMENTAL CARE: Prevent runoff or spills entering water ways or drains; collect and dispose of spills safely. As Kiwicare Corporation Ltd have no control over the storage or use of this product, no liability for accident or damage will be accepted.™ and © are trademarks of Kiwicare.
